WELCOME.

Located in the heart of Grindelwald, we offer an attractive accommodation, with a comprehensive infrastructure at an attractive price-performance ratio. For individuals and groups of any kind, the Downtown Lodge is the ideal starting point to get into the two ski and hiking areas in the stunning landscape around the Eiger, Mönch and Jungfrau.

The lodge can accommodate up to 300 people. There are three self-catering lodges with either 52, 68 or 78 beds. Depending on season and occupancy level, additional rooms in the two lodges for individuals with 26 and 67 beds can be booked.

The self-catering lodges are equipped with kitchen, living room with TV and bathroom facilities. In the main building (lodge 1) is the game zone with billiards, table football, PS2, TV/DVD and two free Internet stations. Furthermore, a kids corner and our bistro with a small, cozy bar and a kiosk can be found in lodge 1. We offer free W-LAN on the entire Downtown Lodge area.

During their stay, all our guests enjoy unlimited free admission to the local swimming pool and ice rink. Additionally, the local buses are free and in summer there are a variety of discounts for attractions in and around Grindelwald. During summer, our lounge, several barbecue areas and a small children's playground invite you to stay. Just around the corner are several restaurants, bars and shops.
